

Control of Hazardous Energy Video and Discussion Topic

IIF Q2 2011 Proactive Event
Richmond Refinery

Week of June 13, 2011

Introduction:

Message from Dave Feiglstok

Dave Feiglstok
OE and PSM Manager, Richmond Refinery

Click here: 

Discussion Topic

1. Review video: [Control of Hazardous Energy](#)
2. Click to open the CSB Safety Bulletin
3. Review one of the incidents from the bulletin, and discuss:

Would a thorough JJSV have prevented this incident?
